48 Skircoat Green, Halifax HX3 0RX

Situated in one of Calderdale's premier residential locations, within the heart of Skircoat Green, lies this two bedroomed stone built cottage providing deceptively spacious accommodation. Although the property requires some cosmetic attention, this is reflected in the asking price, and an internal inspection is absolutely essential to fully appreciate the accommodation provided which briefly comprises an entrance porch, entrance vestibule, spacious lounge, dining kitchen, two bedrooms one with en suite shower, bathroom, uPVC double glazing, gas central heating and a south facing garden to the front. The property provides excellent access to the local amenities of Skircoat Green and Savile Park, including outstanding schools, as well as easy access to Halifax town centre and the trans-Pennine road and rail network linking the business centres of Manchester and Leeds. Very rarely does the opportunity arise to purchase a cottage directly on the Green, and an early appointment to view is essential to avoid disappointment.
