15 Heath Avenue, Halifax HX3 0EA

Situated in one of Calderdale's premier residential locations, lies this superb period terraced residence providing deceptively spacious five bedroomed family accommodation. Although the property requires a certain amount of cosmetic attention, which is reflected in the asking price, an internal inspection is absolutely essential to fully appreciate the accommodation provided. The property briefly comprises an entrance hall, two reception rooms, downstairs cloakroom, kitchen, utility room, five bedrooms, two with en suite shower rooms, bathroom, double glazing, gas central heating and garden to the front. The property provides excellent access to the local amenities of Savile Park and Skircoat Green, including outstanding schools, as well as easy access to Halifax town centre and the trans-Pennine road and rail network linking the business centres of Manchester and Leeds. Very rarely does the opportunity arise to purchase such a quality property at an affordable price and an early appointment to view is essential to avoid disappointment.
